

KINTO Join – The Ride Sharing App

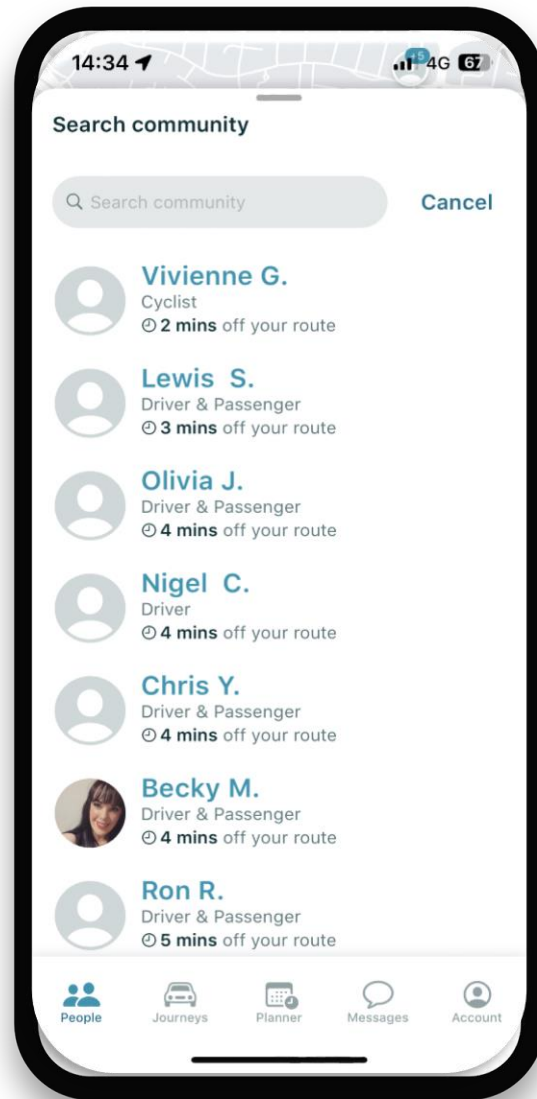

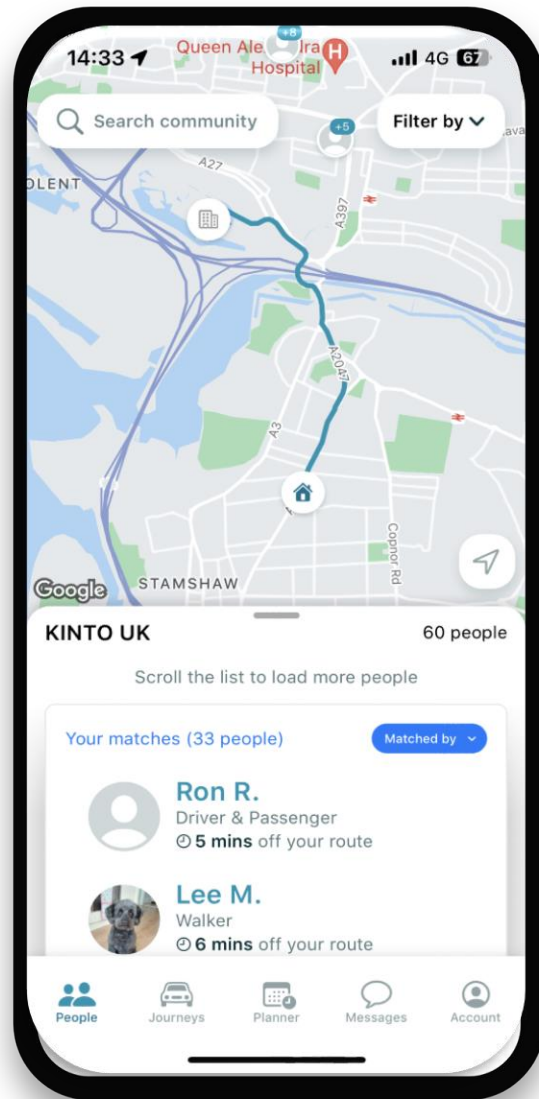

FINDING A LIFT TOO AND
FROM WORK

How to find a lift

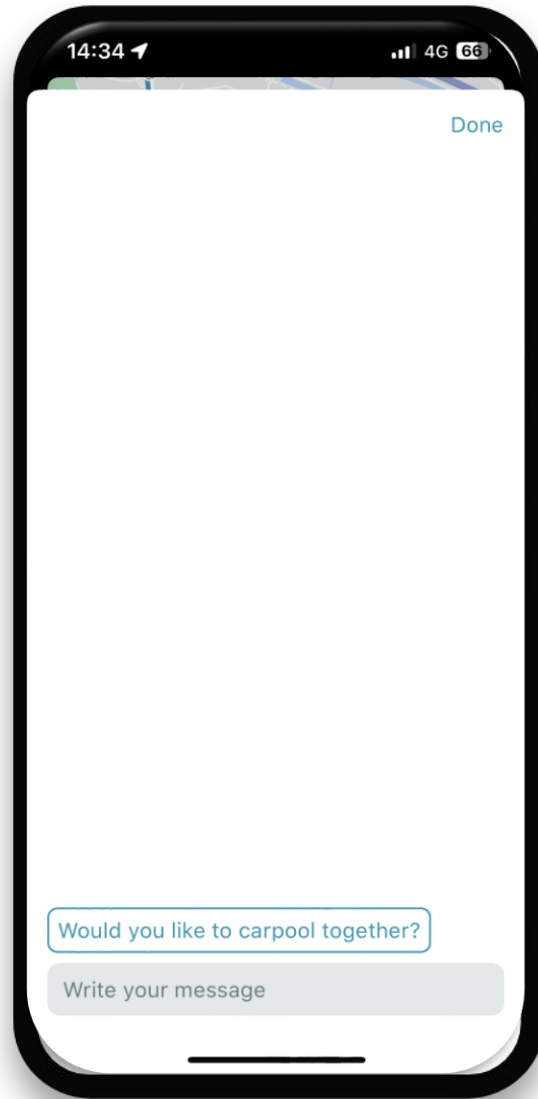

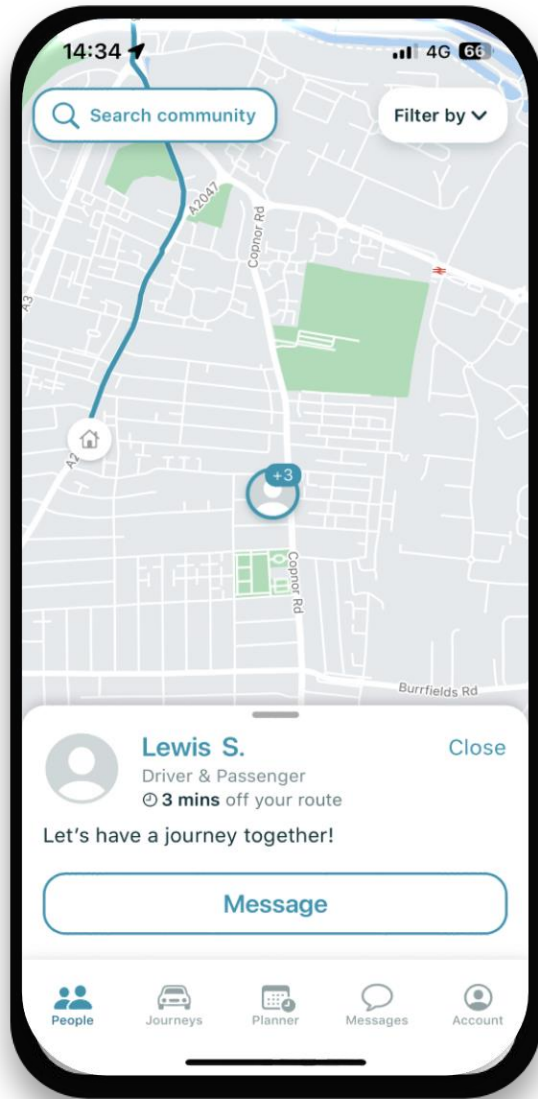

KINTO Join allows you to connect with any one in your business to ride share into work

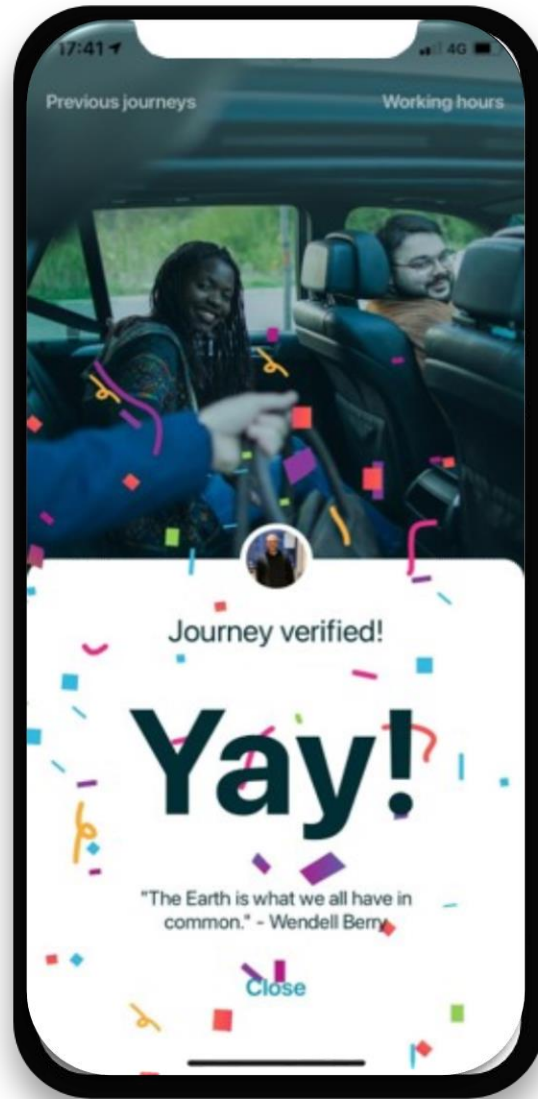

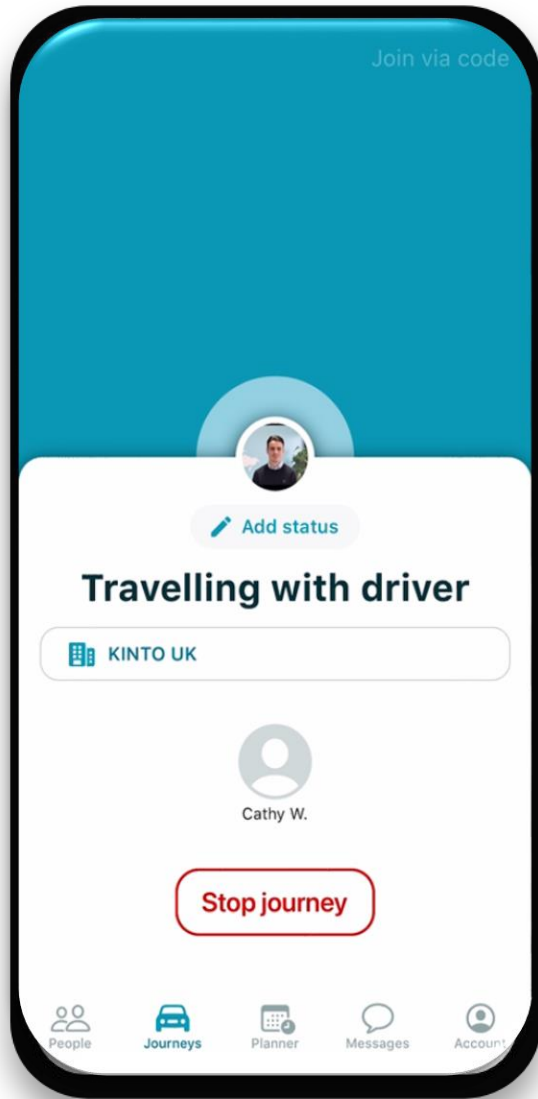

Search for colleagues

Using the "People" tab, you can see colleagues sharing similar routes too and from work.

Message a colleague

After finding a colleague nearby; message them and plan a suitable pick up time and location to ride share into work

Verify your journey

On the journeys tab, press start journey and connect with the driver/ passenger – When you reach your destination your journey will automatically verify
